In N4748 (L2/16-255) “Proposal to encode Xiangqi game symbols”, a number of symbols used in Xiàngqí gaming were proposed. This document proposes code positions and character names for those characters, augmenting the set by adding a number of variant characters to the set requested in that document. Characters discussed in N4748 for Korean Janggi, Seven States Chess (Qīguó Xiàngqí), Three Kingdoms Chess (Sānguóqí), and Three Friends Chess (Sānyǒuqí) have not been proposed here, pending further study.
