SUBJECT: Respose to N413(R) and N422 for Changing glyps of K-Font.

Dear Mr. Rapportuer:

We are sending you the Font of our corrected glyphs via e-mail on 15th of February.

The first part of our list is the font of which indicated by IRG N-413R. except the following two characters.

U+6AF8 placed as(櫸) at present,
But We Want to move it to U+6B05(欅)

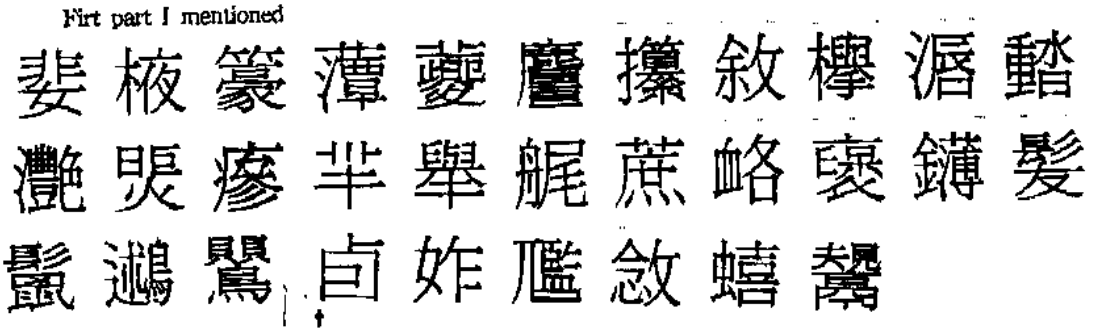

U+7606 placed as(瘆) at present,
But We Want to move it to U+762E(瘆)

The second part of our list is the font of which indicated by IRG N-422. It means that those characters were omitted in compiling process, and noticed by Korea and accepted by Editrial Group in Singapore Meeting.

In the font file which have sent to you the U+Code is not appeared. I would like to ask your favor for refer IRG N-413(R) and N-422.

Font file contains as all characters sequencially :

Firt part I mentioned

2nd part I mentioned.
