According to the tasks set in *IRG N967 CJK_B Font Images For 10646-2003* dated 2003-05-15, IRG editors reviewed CJK_B fonts prepared for *ISO/IEC 10646: 2003*. Based on the review results from Japan, HKSAR, TCA and Ms. Wang Xiaoming, selection of following fonts of four ideographs are suggested to be decided by IRG editors.
