1. **Meetings**

Due to SARS the planned IRG# 21 is postponed twice, eventually, the IRG#21 meeting has been decided to be held in Guilin, China, on 17-21 Nov. 2003. The IRG#22 will not be held this year.

2. **Work**

IRG work continues via the net.

- Mainly, it is on CJK new chart and single mapping tables for ISO/IEC 10646-2003 merged edition, which have been submitted to the Project Editor.

- M19.2 and M20.2 : International Basic Subset of CJK Unified Ideographs. Members' submittals are being collected. Before IRG#21, they will be consolidated preliminarily.

- M19.7 CJK Extension C (C1) is going on. The repertoire will remove 3000 Hanja according to ROK's requirement.

5. IRG Members' Chief Editors

To ensure the quality of submissions from each members, IRG recently requested its members to appoint **their own Chief Editors** respectively, by 16 Dec. 2002. Refer to **IRG M20.5 in WG2 N2532**. Up to now, most members have assigned their own Chief Editor except DPRK and Singapore.
