ISO/IEC JTC1/SC2/WG2   **IRG N1297**

Date: 2007-05-17

Source:	Committee for Unification of Computer Chinese Character Encoding, Government of Macao Special Administrative Region
Title:	**Errata Report related to IRGN1249 submission (Macao)**
Status:	For IRG Editorial Group to take action
Distribution:	IRG Members and Ideographic Experts
Medium:	Electronic

By further review of Macao's whole submission of characters to CJK Ext. D. as well as those characters that were submitted to CJK Ext. C but is now pending for review in CJK Ext. D, we found that, due to clerical mistake, MAC00029 鈺, which was submitted in IRGN1249, is duplicated with MAC00016 鈺.

We hereby formally request that the MAC00029 be removed from our submission to CJK Ext. D.   And, we apologize for any inconvenience caused to everybody.

Committee for Unification of Computer Chinese Character Encoding
