The following is a proposal for an additional informative table for Annex S whose purpose is to aid in the process of deciding between unification and disunification for pairs of characters:

|  | Same Abstract Shape | | Different Abstract Shape | |
| --- | --- | --- | --- | --- |
|  | Actual Shape | | | |
|  | Same | Different | Same | Different |
| **Cognate** | *Unify* | | Do Not Unify | |
| **Non-Cognate** | Do Not Unify | | | |
