Resolution IRG M28.8: Review of IICORE and Safe Characters for Security in Response to WG2 Request (RFC 3743 and N1335)

**Unanimous
Action: Rapporteur**

The IRG resolves to accept document IRGN 1335 as the response to WG2 on the security issue of IICORE and instructs its Rapporteur to submit the response to WG2.

Resolution IRG M28.9: Proposal to Code Proper Names in a Separate Block (N1327)

**Unanimous
Action: All Member Bodies**

The IRG recognises the problem of encoding personal names and place names at present that may not be coded under the current CJK unification practices. The IRG resolves to request its member bodies to further study the issue and provide feedback and input for discussion at IRG#29.

Resolution IRG M28.10: Changing 11 KP Source References to the Existing ISO/IEC 10646: 2003 (N1210, N1260, N1266, N1318 and WG2 N2754)

**Unanimous
Action: DPRK**

The IRG accepts the proposal made by DPRK on the change of source reference mapping of CJK_B (N1318) and suggests DPRK to submit the document to WG2 directly for consideration. The IRG notes that if the changes are accepted by WG2, the SuperCJK database should be modified accordingly.

Resolution IRG M28.11: Possible Urgent Need of Future Extensions (N1199, N1251, N1279, N1289, N1305 and N1324)

**Unanimous
Action: China, Japan, RO Korea,
TCA, Vietnam, Rapporteur**

The IRG recognises that member bodies (China, Japan, RO Korea, TCA and Vietnam) have an urgent need to encode characters that are already in closed sets. The IRG resolves to request the commissioning of a separate project ('Urgent Need Block') to consolidate the repertoire (in total about 12 000 characters without unification). The

IRG asks member bodies concerned to submit their characters meeting all IRG requirements by 2007-10-26 for review and further action at IRG#29.

Resolution IRG M28.12: Provision of CJK Extension B Ideographs Source Visual Reference Information (WG2 Resolution M45.33, IRG Resolution M24.10, M26.8, IRG Resolution M27.3)

**Unanimous
Action: RO Korea**

The IRG resolves to observe the following schedule for the provision of CJK Extension B ideographs source visual reference information (TrueType fonts):

2007-07-10: RO Korea submits the fonts to the Technical Editor and Chief Editor

2007-07-24: CJK_B multi-column code charts V1.0 to be distributed to members' chief editors

2007-10-12: Feedback (or new TTF) to the Technical Editor and Chief Editor

2007-11-12: CJK_B multi-column code charts V1.1

Resolution IRG M28.13: Appreciation

By Acclamation

The IRG would like to express its sincere appreciation to the IRG#28 meeting host, the Standardisation Administration of China and the China Electronics Standardisation Institute. The IRG would also like to thank Ms Cao Ying, Ms Huang Shanshan and Mr He Zheng'an for their excellent logistics, arrangements and hospitality.
