Dear Vaishnavi Murthy

We are pleased to know you have forwarded your work on standardization of the Tulu script for approval by Unicode.

As you are aware we are an Indological Research Institute affiliated to the Rashtriya Sanskrit Sansthan, Deemed University, Ministry of Human Resources Department, Government of India, New Delhi.

As a part of our activities, we are involved in collection and preservation of age-old rare manuscripts of Indian tradition. In our manuscripts' library, we had several manuscripts written Nandi-nagari, Granthi, Telugu and Brahmees etc. Several of these are available in the Tulu script. Some of these Tulu manuscripts have also been studied by you.

As an organization with great ties to Karavali, the homeland of the Tulu language, we feel that your research and the Unicode standardization of the script will benefit further research in Tulu. And find benefit in even everyday Tulu usage for fonts etc.

We are extremely happy with your academic interest and appreciate your creative work done in the Unicode standardization of the scripts. We wish you success in getting the Unicode approval for your work.

Dr. A.V. Nagasampige

Director
