Dear Mr. Zhang,

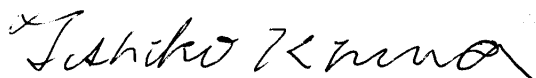

Subject: Extension B Code Chart for ISO/IEC CD 10646-2

The JTC 1/SC 2 Secretariat acknowledges receipt of the Compact Disc containing a PDF file of the CJK Extension B code charts. The file has been tested and confirmed that it has no problem.

The CJK Extension B Code Chart is a major portion of ISO/IEC CD 10646-2 which will be circulated to all the JTC 1/SC 2 members for a 3-months letter ballot.

The Secretariat notes that tremendous efforts have been put in producing this heavy file. On behalf of JTC 1/SC 2, the Secretariat takes this opportunity to thank the IRG Rapporteur, the IRG Technical Editors and all the expert members for their contributions and hard work. The cooperation and support from CCID and CSBTS are also deeply appreciated.

Sincerely,
