

Universal Multiple-Octet Coded Character Set
International Organization for Standardization

Doc Type: ISO/IEC JTC1/SC2/WG2/IRG

Title: Summary Evidence for UTC Sources Used for Extension D

Source: John H. Jenkins, Unicode Consortium

Status: Liaison Contribution

Action: For consideration by the IRG

Date: 2008-11-12

This document provides samples of the evidence which will be supplied for all the characters in UTC's Extension D proposal. Complete evidence will be provided shortly. Some of this evidence may be regenerated. For information on the meaning of the source codes, see IRG N1534.
