According to relative regulations for fair using Taiwan government's publications, including TTF files provided by Taiwan government, anyone could fair use those publications without pay license fee. The term "fair use" means that one use a publication subject to non-business usages, such as reporting or commenting an event, education usage, academic research usage, etc.

Under the condition described above, WG2 project editor could use the T-source TTF files, i.e., the TTF files submitted by TCA, for preparing and publishing ISO/IEC 10646 only. Any distribution and another usage of a T-source TTF file shall be under Taiwan government's permission.
