Title:	License restriction for font to submit WG2
Status:	FYI
Actions required:	
Distribution:	
Medium:	Electronic
Pages:	1

According to the WG2 discussion (M53.27), Japan is now preparing font for publishing ISO/IEC 10646 next edition to submit to WG2 project editor. This font has a license restriction by the provider. It is accepted to submit font to WG2 project editor for publishing international standard, however, no other distribution are allowed.

Japan hopes its font will be treated rightly.
