**Resolution IRG M33.2: Provision of evidence for all submissions (N1606, N1621, N1622)**

**Unanimous**

**Action: All Member Bodies**

The IRG resolves that the provision of evidence on character usage including personal name use should not be exempted as a matter of IRG principle.

**Resolution IRG M33.3:** Macao Supplementary Character Set submission (N1606 and N1642)

**Unanimous  
Action: All Member Bodies**

The IRG instructs Macao and all other member bodies to note and follow N1642 to submit evidences for all characters for the inclusion in Extension E and all future extensions. Macao is requested to provide their evidences before 2010-05-14.

**Resolution IRG M33.4:** CJK Extension E Project (N1596, N1597, N1598, N1599, N1606, N1610 and N1618)

**Unanimous  
Action: All Member Bodies**

The IRG accepts the CJK Editorial Group Report (N1634). Due to the urgency in reviewing the CJK multi-column code charts, the IRG resolves to postpone the review of CJK Ext E. IRG member bodies are requested to provide evidences and explanations by 2010-06-04 and have the CJK Ext E frozen at IRG#34.

**Resolution IRG M33.5:** Old Hanzi (Oracle Bone) Encoding (N1612, N1643)

**Unanimous  
Action: Old Hanzi Expert Group**

The IRG reviews the Report of the Old Hanzi Expert Group (N1615) and conditionally accepts the working schedules provided that they supply clarifications on the attendance of the IRG#34 by Dec. 31, 2009. Should the Old Hanzi group decide not to meet during IRG meetings, representative of the group must report their work in person. Furthermore, the IRG requests the Old Hanzi group to supply procedures and records of discussions in future reports.

The IRG conditionally accepts the following work schedule:

2010-02-10	Experts supplement missing attributes such as the relevant attributes of representative scripts (glyphs), glyph determinations and corresponding modern characters. The completed files will be sent to Project Secretary.
