The P&P Editorial Group met on 26 November 2009 to review the progress of the development of IRG P&P.

The revised Annex I text of WG2 P&P were drafted by Mr Kawabata and approved by the group(IRGN 1644).

The UCV list is updated and ready for distribution at the end of this IRG meeting. IRG editors are encouraged to make use of this table for the CJK multi-column code chart review.

Rapporteur will create entries in the IRG main website for the WDS.

The IRG P&P version 4 will be revised to include the following two items:

1. The provision of evidence for personal names cannot be exempted. Revised text should be consistent with text given in IRGN 1642. The examples given in IRGN 1642 will be listed as Annex H of the IRG P&P, which is currently unused.
2. In response to N1618 on the use of IDS, relevant sections in the P&P document would be amended to allow the use of Ext C characters and all accepted collection as IDC.

The meeting approved the following work schedule:

2009-12-15	P&P v5 draft and WDS v4 draft be ready for members to review
------------	--

2010-01-15	Feedback from members to IRG Rapporteur and WDS editor
2010-03-15	Confirmed P&P v5 and WDS v4 be ready and IRG Rapporteur to submit the documents to WG2#56 for approval
