**Ideographic Rapporteur Group (IRG)**

**Revised Schedule for BMP Multi-column Review Round 2**

Source : IRG Meeting #33 and WG2 Meeting No. 54

Place : Da Nang, Vietnam and San Jose, California

In review of the issues in Round 1 review, the attending members of the WG2 No. 54 has reviewed the round 2 review schedule, and has proposed a revised schedule so that members can have more time to do a more thorough review of the code chart. The changes are highlighted in color. All IRG editors are asked to follow the new schedule for review using the code chart produced in **IRGN 1670**.
