Title:	Provision of FTP site for long files	
	Tentative	
Status :		
	IRG Members and Ideographic Experts	
	Electronic	
Actions required:	For information	
Distribution:	IRG members	

This is to inform you that the HLT Lab at the Hong Kong Polytechnic University, has set up a FTP site for IRG members to upload and download of large IRG related files.

Operational descriptions:

Upload: this is password protected. Only authorized person with the right password can upload. Persons will be instructed by Lu Qin on the directory where the file will be located. Directory names will be directly related to the works.

Download: this is not password protected. The specific path for the download will be provided through email to either the IRG editors and the people involved in the projects.

Maintenance: The files uploaded are not suppose to be permanently maintained. Normally, after 6 months after announcement, the file will be removed. The site will be maintained by Prof. Lu Qin. Thus all the issuance of id and password will be done by her.
