1. Editing project:

The Vietnamese Nôm Preservation Foundation (VNPF) is taking charge of the technical implementation of the new dictionary of Professor Nguyen Quang Hong, *Từ điển Chữ Nôm* (dictionary of Nôm characters). Its publication is scheduled for September 2014. We are in the review phase.

2. Formation of a new list

The VNPF members are preparing a list of characters, extracted from *Từ điển Chữ Nôm trích dẫn*, (published in the U.S. in 2008), and *Từ điển Chữ Nôm*. We think this list should be submitted for the coming extension.
