(IRG)

Source/Contribution Identifier: SAT Committee
Meeting: 45th IRG Meeting
Title: Activity Report
Status: Member Submission

SAT activity report from IRG44 to IRG45

Summary:

The SAT committee has been working on the extension F.

It has continuously been addressing recheck of characters which occur in “Issai Kyo Ongi (一切經音義)” and proposed a part of them as the CJK Unified extension G.

Individual activities related to character encoding are below:

1 Oct: A SAT member participated in the monthly meeting of Japan SC2 committee.

2 Nov: The SAT proposed around 2,000 characters as the CJK Unified extension G.

5 Nov: A SAT member participated in the monthly meeting of Japan SC2 committee.
