Ideographic Rapporteur Group

(IRG)

Source/Contribution Identifier: SAT Committee
Meeting: 46th IRG Meeting
Title: Activity Report
Status: Member Submission

SAT activity report from IRG45 to IRG46

Summary:

The SAT committee has been working on the extension F.

It has continuously been addressing recheck of characters which occur in “Issai Kyo Ongi (一切經音義)” and proposed a part of them as the submission to IRG Collection 2015.

SAT submitted a request for liaison relationship to the JTC1/SC2/WG2.

SAT held a symposium on character encoding in academic area in Tokyo.

Individual activities related to character encoding are below:

3 Dec: A SAT member participated in the monthly meeting of Japan SC2 committee.

6 Jan: SAT submitted proposal of CJK unified ideographs for IRG Collection 2015.

4 Feb: A SAT member participated in the monthly meeting of Japan SC2 committee.

9 Feb: SAT submitted a request for liaison relationship to the JTC1/SC2/WG2

3 Mar: A SAT member participated in the monthly meeting of Japan SC2 committee.
