Title: Activity Report

Status: Member Submission

Activity Report of the Hong Kong Special Administrative Region

Adoption of ISO/IEC 10646

1. During the period from 21 September 2016 to 15 May 2017, the HKSAR Government received applications to include a total of 54 characters in the Hong Kong Supplementary Character Set (HKSCS). All the applications have been carefully examined and verified. All 54 characters had already been included in the ISO/IEC 10646 standard and assignment of new code points is not necessary.

Review of CJK Working Set 2015 v3.0

2. The Office of the Government Chief Information Officer, in conjunction with the Official Languages Division of the Civil Service Bureau, reviewed the CJK Working Set 2015 v3.0 and provided feedback to the IRG for consideration and discussion at IRG meeting No. 48. The comments offered mainly concern unification, radical, stroke count and font quality of the proposed characters.
