Ideographic Rapporteur Group

(IRG)

Source/Contribution Identifier: SAT Committee

Meeting: 52th IRG Meeting

Title: Activity Report

Status: Member Submission

SAT activity report from IRG51 to IRG52

Summary:

The SAT committee:

1.   has been working on the IRG Collection 2015 and the Working Set 2017.

2.   has been improving an IRG repository data recording system.

3.   introduced its activities at academic meetings.

4.   received the practice award from the Japan Society for Digital Archive this year.

Individual activities related to character encoding are below:

●   SAT has addressed the ongoing development of IRG repository database-ization project (which was previewed at IRG #50) including data update, data model enhancement and additional features with various frontend usability improvement.

●   SAT introduced the activities including character encoding at academic meetings below:

➢   The 31st Lecture Meeting of Shido-Bunko at Keio University (30 Nov 2018)

➢   The Annual Conference of Japan Society for Digital Archive at Kyoto University (16 Mar 2019)

●   SAT received the practice award from the Japan Society for Digital Archive this year due to its activities for standardization of its contents and development of its standardized implementation.
