Dear IRG Experts,

Due to difficulty to travel, many of the IRG members are not able to attend in person at Yale University. Our host at Yale has kindly agreed to provide Zoom facility during the meeting so our experts can join. In this regards, I would like to call for Zoom meeting registration. Each IRG delegate please send me a list of Zoom attendees and their emails using the following format.

Name1: email

Name2: email

.....

Emails will be used for Zoom. For individual experts who are not part of a national/organizational delegate, please send your registration information to me directly.

The deadline for registration submission is **Oct. 1, 2023**.

In consideration of time differences, the meeting timewill be arranged as follows (All in USA Eastern time) :

Monday Oct. 16: 9am - 1pm possibly run a bit late.
