ISO-IEC JTC1/SC2/WG2/IRG
Ideographic Rapporteur Group

RESOLUTIONS

Source : IRG
Meeting: At ISS, Singapore
Title : resolutions

1. IRG resolves to accept the following documents from the CC Ad hoc committee:
N428 --- supplement to Composition / Component Scheme
N436 --- response to questions raised by WG2 (IRG N392)
2. IRG accepts 3 components from Korea (N420) and 4 components from Vietnam (N434) to be included in the component supplement.
3. IRG will submit the following updated documents concerning Composition / Component Scheme to WG2
N406, N407, N408, N409, N428 and N436
4. IRG accepts the Editorial Report on HQP 2.0 (N431R).
5. Each member should submit their revised HQP fonts by 15th February, 1997 to Rapporteur.
6. The HQP 3.0 should be completed before 15th March, 1997 for final review.
7. The final version of HQP will be submitted to WG2 in

time for WG2 #33.

8. IRG accepts Mr. John Jenkins as the new Annex S Editor. Mr. Jenkins will submit the revised N377 (N377R) by the end of May, 1997 to the Rapporteur.

9. IRG has resolved that the followings should be added to Annex S

a. In S1, the source separation rule only applies to characters encoded prior to the publication of ISO/IEC 10646-1. 1993

b. Source Code Separation examples should show both history and status.

c. A boldface letter will be used in the right hand column of the example to indicate that the character separation has been incorporated in a source standard published after 1993

10. IRG has discussed Japanese comments concerning Extension A allocation to WG2. An IRG position paper N430 will be sent to WG2 to reaffirm the strong needs for inclusion of Extension A in BMP as a whole.

11. IRG #9 will be held in Nanjing, to be hosted by China on the 5th-9th May, 1997.

12. Vietnam will host IRG #10 around December, 1997.

13. IRG defines the following projects and schedules
i. IS/HS HQP 3.0 with Annex S text to WG2 editor by 30th April,97

ii. CJK Extension A

a. Encoded by WG2

b. HQP with Annex

After the codes are assigned by WG2, IRG needs 210 days to draft, review and produce the document with annex.

Fonting 2 months

Receive font to print out 1 month

review twice 4 months

c. IRG#9 will review the progress of HQP V2.0 (CJK Extension A)

iii. CJK Extensions B & C will commence after Extension A is completed

- iv. Composition / Components
 - a. Ideograph Structure Characters
 - b. Ideograph Variation Mark
 - c. Radical Supplement
 - d. Component Supplement
 - e. Composition Scheme

Submission deadline is 15th April, 1997 and all documents will be finalized at IRG #9.

15. IRG resolves the following action items:

- a. Singapore is requested to provide justifications for the 166 characters listed in N427.
- b. Members are requested to submit all proposals for components before 15th April, 1997.

Appreciation:

- 1. IRG would like to thank Mr. Koike for all his contributions to IRG.
- 2. IRG would like to thank ISS/NUS of Singapore for hosting IRG #8.
